The Philippines

April 20-May 4, 2013

The diving is easy. The food is great. The people are fantastic. The adventure is memorable. You can see for yourself in more than 1,900 photos Cindy and Mel took during their recent scouting trip.

This \$4,500 trip includes round-trip air fare from LAX, accommodations, meals, diving and more. (This price may change, but isn't likely to.)

During this two-week adventure, we'll be staying at not one, but two different world-class dive resorts.

Magic Island Moalboal

Magic Island Dive Resort is located at Moalboal, Philippines, just 55 miles from the international airport of Cebu. A small, family-run resort in a quiet coastal region Magic Island offers you the top dive locations, all within reach.

Atlantis Dumagete

Just a 30-minute drive from the local airport (only a 60-minute flight from Manila), on a long peaceful stretch of beach, lies the lush and luxurious Atlantis Dive Resort. Surrounded by an amazing tropical garden with some of the rarest plants to be found in the Philippines, it is just a short trip to some of the

most renowned dive sites in Asia — Apo Island, Siquijor and, of course the, local Dauin Marine
